Corrigendum

Corrigendum to: Capsaicin-evoked release of immunoreactive calcitonin gene-related peptide from the spinal cord is mediated by nitric oxide but not by cyclic GMP

Mary G. Garry*, Lloyd P. Walton, Michael A. Davis

Department of Internal Medicine, University of Texas Southwestern Medical Center, 5323 Harry Hines Boulevard, Dallas, TX 75390-9174, USA

Please note the following rectifications to the above-mentioned article:
(1) Darrell L. Tanelian, MD, PhD should be included as co-author.

(2) The departmental affiliation for all authors should be:
University of Texas Southwestern Medical Center, Department of Anesthesiology and Pain Management, Dallas, TX 75390, USA.

(3) The authors wish to acknowledge the support of the Sid W. Richardson Foundation.
