THE NUMERICAL RANGE OF LINEAR OPERATORS
ON THE 2-DIMENTIONAL KREIN SPACE∗

HIROSHI NAKAZATO†, NATÁLIA BEBIANO‡, AND JOÃO DA PROVIDÊNCIA§

Abstract. The aim of this note is to provide the complete characterization of the numerical
range of linear operators on the 2-dimensional Krein space C2.

Key words. Krein space, Numerical range, Rank one operator.

AMS subject classifications. 46C20, 47A12.
